# DELIVERING ON TIME, EVERY TIME

**8 out of 10 cars manufactured in the UK are exported overseas to 160 different markets. At OSE European, we can facilitate the transport of automotive goods throughout the UK and Europe with speed and accuracy.**

We put collaboration and communication between carrier, shipper and logistics operations at the forefront of our operations with the automotive sector, ensuring that components are delivered on-schedule with production lines, helping to meet sales targets as well as supply chain and market demands.

## WE OFFER

- 10,000 sqft warehousing space
- ADR storage facilities
- Real-time transit data & vehicle tracking
- Transport of hazardous goods under scopes 2-9

## WHY CHOOSE OSE AS YOUR LOGISTICS PROVIDER?

- Unrivalled quality of service
- Cost-efficient transport
- Innovative technology solutions
- Customs clearance support

## Strategically located in the North East

Being based in the North East of England, which produces 30% of all UK passenger vehicles, we are committed to providing supply chain support and bespoke logistics solutions for local businesses operating within the automotive industry. We are also proud members of the North East Automotive Alliance, a proactive regional cluster group dedicated to representing the region on a global stage.

## A fleet that can carry the load

We have a variety of vehicles ready and raring to carry your automotive components from A to B. From sprinter vans and 7.5-18 tonne trucks to 44T artics, Hiabs and tail lift vehicles, there is no parcel or pallet that we can't handle.

At OSE we have years of experience carrying hazardous and dangerous goods throughout the UK and Europe. With fully-equipped hazardous goods transport vehicles and ADR-trained drivers, we can ensure your shipments are carried safely and lawfully.

## A supportive, highly experienced team

We have a dedicated customs clearance team on-hand to assist you and make sure you are fully prepared when looking to export and import automotive goods to and from the UK. From raising export and import declarations to liaising with European partners and arranging T1 transit documents, we can provide ongoing support throughout transit.

**We are also proud members of the North East Automotive Alliance, a proactive regional cluster group dedicated to representing the region on a global stage**
